What’s an ASME EFx™?

An EFx™ is a one-day event designed to bring the excitement, community, innovation and vibrant experience of an ASME E-Fest event, to engineering students at local colleges and universities around the world.

EFx™ will take your engineering skills to the next level through:

- Impromptu Engineering Competitions that test your skillsets and prepare you to compete at an ASME E-Fest event
- Interactive Workshops/Training Sessions on career and professional development
- Social/Fun/Networking Events to meet your peers, local companies and celebrate engineering!
