

UNIVERSITY OF CENTRAL FLORIDA

Department of Mechanical and Aerospace Engineering

12443 Research Parkway
Suite 304, Orlando, Florida, 32826

To Whom It May Concern:

_____ will be attending the kickoff event for the NASA Minority University Research and Education Project Aerospace Academy, hosted at the University of Central Florida on **September 18th, 2024**. The student will be touring the campus and research facilities and meeting experts in aerospace engineering.

The aim of the year-long program the student is participating in has been to develop engineering skills and create a support network for the transition from high school to college or university.

If you have any questions, please do not hesitate to reach out to me with the contact information below.

Warm regards,
